Demon Huntr/x

by MiaQc

Summary

A dark one-shot featuring evil Huntr/x.

- A translation of Démones Huntr/x by MiaQc

Rumi defeated Gwi-Ma. The world should be safe from demons but part of Gwi-Ma's darkness transferred to Rumi. Jinu's soul tried to protect her, in vain. Rumi became a demon. Now, like the Saja Boys before her, she feeds on the souls of her fans.

Zoey and Mira tried to stop her, to reason with her. They failed and the evil Rumi gave them a cruel choice: either join her or die. Zoey and Mira chose the first option, wanting to live. The darkness of Gwi-Ma in Rumi transforms Zoey and Mira into demons.

Bobby could see that something was wrong with Huntr/x. He told Celine about it. Celine, wanting to save him from certain death, fired him on the spot. Bobby left her office in tears. Then she took her old weapons and confronted the demons Rumi, Zoey and Mira to defeat them. Celine failed in her battle and the Huntr/x demons killed her.

No one can stop them. Rumi, Zoey and Mira dark voices will illuminate the world and the souls of their fans will be theirs.

Meanwhile, in the demons' world, Gwi-Ma who was not killed but only sealed away again by the Honmoon laughs.
